Memo No. 26/142/18-2HB2/1509055/1-3
Dated, Chandigarh: 25-06-19

Sub:- Regarding issuance of No Objection Certificate to PCMS/PCMS (Dental) Doctors for admission to Post Graduation (Diploma/Degree) Courses and Super Specialty Courses in Government and Private institutions situated within and outside the State of Punjab.

****

Detailed instructions in regard to issuance of NOC to in-service PCMS/PCMS (Dental) doctors for admissions to PG/Super Specialty courses were issued vide Memo No. 26/12/94-5HB2/126-128, Dated 08-01-2010. Thereafter following 9 amendments have been carried out-

1. Memo No. 26/12/94-5HB2/4456-58, Dated 17-07-12,
2. Memo No. 26/12/94-5HB2/196-99, Dated 23-04-13,
3. Memo No. 26/12/94-5HB2/434, Dated 22-05-13,
4. Memo No. 26/12/94-5HB2/1640, Dated 23-07-13,
5. Memo No. 26/12/94-5HB2/4047-49, Dated 29-10-13,
6. Memo No. 26/12/94-5HB2/166398/1-6, Dated 20-02-14,
7. Memo No. 27/35/15-5HB2/447931/1, Dated 26-03-15
8. Memo No. 26/12/94-5HB2/61-72, Dated 04-05-16 and
9. Memo No. 26/12/94-2HB2/996864/1-3, Dated 7-6-17

The above amendments have been consolidated and incorporated in these guidelines. Besides, some major changes have been made and accordingly, in supersession of all previous instructions on the subject, the following guidelines would be applicable to PCMS/PCMS (Dental) Doctors for admission to Post Graduate (PG) and Super Specialty Courses w.e.f. academic year 2020-21.

1. Common terms for Post Graduation (Diploma/Degree) Courses and Super Specialty Courses

1.1 Detailed conditions for admission to the different courses and categories have been indicated in relevant Paras and it is necessary to invite the attention of the candidates towards some of the common and important conditions as mentioned in the following paragraphs.

1..2 The existing instructions require different bonds for different categories of candidates. For example, for PG courses, the bond required

Dayan Chandra

Page 1

is for 10 years of service and Rs 50 lakh if admission is given under 30% incentive category or 5 years and 15 lakhs if admission is based on the merit of the student without any incentive marks. However, if a candidate is sponsored to PGI, then the requirement of bond is for 15 years of service and Rs.70 lakh. Then, there are other conditions regarding completion of rural area service, probation period etc.

The instruction have been accordingly amended and only 2 broad categories i.e. candidates sponsored by the State Government and candidates who secure admission on the basis of their own merit have been envisaged. The first category candidates would either be sponsored by the State Government or they would get incentive marks and would get full pay during the PG Courses. The bond would be for 10 years or for Rs 50 lakh. The second category candidates would be given leave of the kind due during the PG Courses and would be required to execute a bond of 5 years or Rs. 15 lakh. For diploma courses the requirement would be less.

Secondly, the requirement of minimum number of years of service in 'difficult rural area' (category 'D') and 'other rural area' (category 'C') as eligibility criteria for grant of incentive marks of 20% and 30% has also been reduced from 4/6 years to 2/3 years.

Besides, there are some minor changes which my kindly be noted.

1.3 **Eligibility Certificate**: The in-service PCMS/PCMS(Dental) doctors desirous of seeking admission in PG courses will submit an application accompanied by a Certificate from Civil Surgeon regarding length of service, length of rural service and the number of years of service, left after completion of PG/Super Specialty Course and that no Departmental or Vigilance inquiry is pending against the candidate. Based on this certificate the DHS would determine the eligibility of the candidates for admission for PG/Super Specialty Courses as per these guidelines and make the recommendation to the Government. Based on this recommendation the Department of Health and Family Welfare will grant Eligibility Certificate for participation in counseling/admission process for PG/Super Specialty course admissions.

1.4 **NOC and Bond:** Based on this Eligibility Certificate the candidate can apply for admission. Upon selection for admission to PG/Super Specialty Course, the candidate would be required to furnish Indemnity Bond. After submission of Indemnity Bond by the candidate, the Department of Health

Page 2

and Family Welfare would issue him NOC for admission and the candidate would stand relieved from the Health and Family Welfare Department.

Doctors would be required to comply with the conditions of the Indemnity bond. In case they do not complete the stipulated years of service after completion of the PG Course or do not deposit the required amount, their action would be treated as gross misconduct and the Department would among other steps have the registration of such doctors struck off from the register of Punjab Medical/Dental Council.

The Department would consider, for grant of NOC, only those PCMS/PCSM(Dental) doctors who are serving in the Department and who have completed minimum of 2 or 1 year of service as explained para 2.1 and 3.1. There have been many cases in the past where doctors pursuing PG Courses have been granted NOC upon their selection into PCMS on the basis of their joining the Health and Family Welfare Department for a day or so. This does not make any sense at all and such doctors will have to either join the PCMS immediately full time or seek extension from the Department of Health and Family Welfare for completing the PG Courses. After completion of the Courses, they would be allowed to join the Department and given seniority from the date of joining.

2. 30% incentive Category

2.1 **Eligibility** - As per Regulation 9 (IV) of Medical Council of India (MCI), under the Heading –"Selection of Post Graduate Students", it has been provided as under:-

"Provided that in determining the merit of candidates who are in service of government/public authority, weightage in the marks may be given by the Government/Competent Authority as an incentive at the rate of 10% of the marks obtained for each year of service in remote and/or difficult areas upto the maximum of 30% of the marks obtained in National Eligibility-cum-Entrance Test. The remote and difficult areas shall be as defined by State Government/Competent Authority from time to time."

Accordingly, the candidate must fulfill the following conditions for incentive marks:-

(a) Regular PCMS doctors who have completed 2 years of service in 'difficult rural area' (category 'D') or 3 years of service in 'other rural area' (category 'C') or appropriate combination (1:1.5) thereof would get 20% incentive marks.

Page 3

(b) Regular PCMS doctors who have completed 3 years of service in 'difficult rural area (category 'D') or 4.5 years of service in 'other rural area' (category 'C') or appropriate combination (1:1.5) thereof would get 30% incentive marks.

2.2 **Pay:** The doctors uncer 30% incentive category i.e., para 2.1(a) & (b) would get full pay and allowances admissible from time to time as per instructions of Finance and Department of Health and Family Welfare As of now as per letter No.27/35/15-5HB2/447931/1 dated 26.3.2015 of the Department of Health and Family Welfare, such candidates would get full pay and allowances except for non - practicing allowance which was stopped as per decision of Council of Ministers dated 11.6.2014.

The candidate would be required to complete diploma and degree courses within 2 or 3 years. If they are not able to complete the course within this stipulated period, they would be allowed leave of the kind due to complete the course/appear in examination. The candidates can take admission in Diploma/Degree only once under this 30% incentive category. In case the candidate abandons the course midway then he/she shall be debarred from reapplying for PG admission in this category and the time spent would be treated as 'leave without pay'.

2.3 **Bond :** The candidates upon their admission would be required to give an indemnity bond for rendering minimum number years of service after completion of PG Course or bond money in lieu thereof with the following details-

Sr.No.	Name of Course	Bond money	Period
1	PG Diploma Course	Rs. 25 lakh	06 years
2	PG Degree Course	Rs. 50 lakh	10 years

If the doctors do not complete the prescribed minimum service after completion of their PG/Diploma Course as mentioned above, the State Government shall invoke the bond. This action would also be treated as gross misconduct and the Department would have the registration of such doctors struck off from the Register of Punjab Medical Council/Punjab Dental Council.

Page 4

No.36039/1/2019-Estt (Res)
Government of India
Ministry of Personnel, Public Grievances & Pensions
Department of Personnel & Training

North Block, New Delhi
dated the 31st January, 2019

OFFICE MEMORANDUM

Subject: Reservation for Economically Weaker Sections (EWSs) in direct recruitment in civil posts and services in the Government of India.

In continuation of this Department's Office Memorandum of even number dated 19.01.2019, the following instructions are issued in consultation with Ministry of Social Justice and Empowerment and Department of Legal Affairs regarding reservation for EWSs not covered under the reservation scheme for SCs/STs/OBCs in respect of direct recruitment in civil posts and services in the Government of India.

2. **QUANTUM OF RESERVATION**

The persons belonging to EWSs who are not covered under the scheme of reservation for SCs, STs and OBCs shall get 10% reservation in direct recruitment in civil posts and services in the Government of India.

3. **EXEMPTION FROM RESERVATION:**

3.1 "Scientific and Technical" posts which satisfy all the following conditions can be exempted from the purview of the reservation orders by the Ministries/ Departments:

(i) The posts should be in grades above the lowest grade in Group A of the service concerned.

(ii) They should be classified as "scientific or technical" in terms of Cabinet Secretariat [OM No. 85/11/CF-61(1) dated 28.12.1961], according to which scientific and technical posts for which qualifications in the natural sciences or exact sciences or applied sciences or in technology are prescribed and the incumbents of which have to use that knowledge in the discharge of their duties.

(iii) The posts should be 'for conducting research' or 'for organizing, guiding and directing research'.

3.2 Orders of the Minister concerned should be obtained before exempting any posts satisfying the above condition from the purview of the scheme of reservation.

4. CRITERIA OF INCOME & ASSETS:

4.1 Persons who are not covered under the scheme of reservation for SCs, STs and OBCs and whose family has gross annual income below **Rs. 8.00 lakh (Rupees eight lakh only)** are to be identified as EWSs for benefit of reservation. Income shall also include income from all sources i.e. salary, agriculture, business, profession, etc. for the financial year prior to the year of application.

Also persons whose family owns or possesses any of the following assets shall be excluded from being identified as EWS, irrespective of the family income:-

i. 5 acres of agricultural land and above;
ii. Residential flat of 1000 sq. ft. and above;
iii. Residential plot of 100 sq. yards and above in notified municipalities;
iv. Residential plot of 200 sq. yards and above in areas other than the notified municipalities.

4.2. The property held by a "Family" in different locations or different places/cities would be clubbed while applying the land or property holding test to determine EWS status.

4.3 The term "**Family**" for this purpose will include the person who seeks benefit of reservation, his/her parents and siblings below the age of 18 years as also his/her spouse and children below the age of 18 years.

5. INCOME AND ASSET CERTIFICATE ISSUING AUTHORITY AND VERIFICATION OF CERTIFICATE:

5.1 The benefit of reservation under EWS can be availed upon production of an Income and Asset Certificate issued by a Competent Authority. The Income and Asset Certificate issued by any one of the following authorities in the prescribed format as given in **Annexure-I** shall only be accepted as proof of candidate's claim as belonging to EWS: -

(i) District Magistrate/Additional District Magistrate/ Collector/ Deputy Commissioner/Additional Deputy Commissioner/1st Class Stipendary

G. Srinivasan

Magistrate/ Sub-Divisional Magistrate/ Taluka Magistrate/ Executive Magistrate/ Extra Assistant Commissioner

(ii) Chief Presidency Magistrate/Additional Chief Presidency Magistrate/ Presidency Magistrate

(iii) Revenue Officer not below the rank of Tehsildar and

(iv) Sub-Divisional Officer or the area where the candidate and/or his family normally resides.

5.2 The Officer who issues the certificate would do the same after carefully verifying all relevant documents following due process as prescribed by the respective State/UT.

5.3 The crucial date for submitting income and asset certificate by the candidate may be treated as the closing date for receipt of application for the post except in cases where crucial date is fixed otherwise.

5.4 The appointing authorities should, in the offer of appointment to the candidates claiming to be belonging to EWS, include the following clause :-

"The appointment is provisional and is subject to the Income and asset certificate being verified through the proper channels and if the verification reveals that the claim to belong to EWS is fake/false the services will be terminated forthwith without assigning any further reasons and without prejudice to such further action as may be taken under the provisions of the Indian Penal Code for production of fake/false certificate."

The appointing authority should verify the veracity of the Income and asset certificate submitted by the candidate through the certificate issuing authority.

5.5 Instructions referred to above should be strictly followed so that it may not be possible for an unscrupulous person to secure employment on the basis of a false claim and if any person gets an appointment on the basis of such false claim, her/his services shall be terminated invoking the conditions contained in the offer of appointment.

6. EFFECTING RESERVATION - MAINTENANCE OF ROSTERS:

6.1 Department of Personnel and Training had circulated Office Memorandum No.36012/2/96-Estt(Res) dated July 2, 1997 regarding implementation of post based reservation roster. The general principles for making and operating post

G. Sivasan

based reservation roster would be as per the principles laid down in the said Office Memorandum.

6.2 Every Government establishment shall now recast group-wise post-based reservation roster register for direct recruitment in accordance with format given in **Annexure II, III, IV and V,** as the case may be, for effecting 10% reservation for EWSs interpolating them with the SCs, STs and OBCs. While fixing roster point, if the EWS roster point coincides with the roster points of SCs/STs/OBCs the next available UR roster point has been allotted to the EWSs and also the principle of "squeezing" has been kept in view. While drawing up the rosters, the cadre controlling authorities may similarly "squeeze" the last points of the roster so as to meet prescribed 10% reservation.

6.3 Where in any recruitment year any vacancy earmarked for EWS cannot be filled up due to non availability of a suitable candidate belonging to EWS, such vacancies for that particular recruitment year shall not be carried forward to the next recruitment year as backlog.

6.4 Persons belonging to EWS selected against the quota for persons with benchmark disabilities/ex-servicemen shall be placed against the roster points earmarked for EWS.

7. **ADJUSTMENT AGAINST UNRESERVED VACANCIES:**

A person belonging to EWS cannot be denied the right to compete for appointment against an unreserved vacancy. Persons belonging to EWS who are selected on the basis of merit and not on account of reservation are not to be counted towards the quota meant for reservation.

8. **FORTNIGHTLY/ANNUAL REPORTS REGARDING REPRESENTATION OF EWS:**

The Ministries/Departments shall send single consolidated fortnightly report including their attached/subordinate offices beginning from 15.2.2019 as per format at **Annexure-VI.**

From 01.01.2020, the Ministries/Departments shall upload data on representation of EWSs in respect of posts/services under the Central Government on the URL i.e. www.rrcps.nic.in as on 1st January of every year. All Ministries/Departments have already been provided respective usercode and password with guidelines for operating the URL.

9. MAINTENANCE OF REGISTER OF COMPLAINTS BY THE GOVERNMENT ESTABLISHMENT:

9.1 Every Government establishment shall appoint a senior officer of the Department as the Grievance Redressal Officer.

9.2 Any person aggrieved with any matter relating to discrimination in employment against any EWS may file a complaint with the Grievance Redressal Officer of the respective Government establishment. The name, designation and contact details of the Grievance Redressal Officer may be displayed prominently on the website and in the office of the concerned establishment.

10. LIAISON OFFICER:

Ministries/Departments/Attached and Subordinate Offices shall appoint Liaison Officer to monitor the implementation of reservation for EWSs.

11. The above scheme of reservation will be effective in respect of all direct recruitment vacancies to be notified on or after 01.02.2019.

12. All the Ministries/Departments are requested to bring the above instructions to the notice of all appointing authorities under their control. In case of any difficulty with regard to implementation of the provisions of this OM, the concerned authorities may consult DOP&T through their administrative Ministry/Department.

Encl.: As above.
